

Coach's task:	2. Choose an online store as the site you will test for all the following lessons. Write a 25-point checklist. Do not test the login and registration, but test the cart and working with products. Don't forget to use negative checks (enter the text that is not expected, different symbols, etc.) (video1)(video2)		Feedback from the coach:	<div>Чек-ліст хороший, структурований, з тестовими даними, молодець</div> <div><div><div></div><div></div></div><div>Чекаю наступні завдання! 19:19</div></div> <div>19:18</div>
